RE: Confidential/Billy L. Smith

Dear Sirs:

Please add this to your file on Billy L. Smith, 280 Clinton Drive, Palm Bay, Florida of South Brevard District, Central Florida Council. He was the Scoutmaster of Troop 337, in Melbourne, Florida 32901.

Thank you.

DEC 6 1968

Former Scoutmaster Held for Molesting

A former Melbourne scoutmaster pleaded guilty Friday to a charge of lewd, lascivious and indecent assault on a 10-year-old boy.

Billy L. Smith, 47, who until June headed Melbourne Scout Troop 337, will be sentenced Dec. 10 by Judge Joe Cowart Jr. He remains free on \$1,500 bond.

Smith, of 280 Clinton Dr., Palm Bay, pleaded guilty in a pre-trial hearing at the Rockledge Courthouse Friday morning.

In turn, the Solicitor's Office dropped three other charges of lewd and lascivious assault against Smith, which were alleged to have occurred in separate instances this past summer.

Penalty for the charge ranges from 10 to 25 years in prison, but Judge Cowart said Friday the statute covering the case "emphasizes treatment rather than confinement."

To be sentenced Dec. 10th, 1968

Re: William D. Smith (Billy)

Dear Mr. Caldwell:

Thank you for your confidential record sheet dated August 8 and the very thorough report you forwarded concerning William D. (Billy) Smith, currently registered as Scoutmaster of Troop 337 in Melbourne. We have placed this information in our files and have taken steps to have his name deleted from the Troop roster.

The information you have provided will enable us to identify this individual should he ever again attempt to register in the Scouting program. We would, however, very much appreciate your advising us of the final disposition of this case when it comes before the courts.

I am sure you realize that this leaves Troop 337 without any registered unit leader. Undoubtedly, someone is taking over in this position. In order for the unit to continue to receive program inserts in Scouting Magazine, it will be necessary to advise this office of the name of the new unit leader. This should be done by filing with us an additional enrollment for this individual in his new position. Please do not file a separation notice as we have already dropped the current leader.

Sincerely,

Howard Boyd, Director

Statement of Richard L. Fairley - Ref: Wm. D. Smith, Scoutmaster,
Dist. Scout Executive Troop 337, Melbourne, Fla.

Copy from handwritten statement.

On Friday evening, latter part of April, at the Melbourne Sports and Recreation Show, City of Melbourne where I had a booth representing the Boy Scouts of America, Mr. "Bill" Smith, who also had a booth and I were engaged in a conversation.

Mr. Smith: "Guess where I have been all afternoon?"

Me: "Where?"

Mr. Smith: "In jail, I was arrested on a child molesting charge."

Other words were passed, but as I remember from what Mr. Smith remarked was that his best friend had him arrested and he was "Out on Bond."

He also stated that he couldn't believe it and that "naturally in his duties as a Scoutmaster, he had, while wrestled with his boys and at times may have touched their penis. Also as a troop discipline, he would give them a "red belly" with his beard. Also, at times for initiation into the troop, he had a can of spray that he sprayed on their rearends. He also stated that he encouraged the boys to sleep in the nude because this was healthy.

Also from the conversation he stated that while on campouts, both he and the boys swim nude.

I made no statement except that I would get in touch with the Investigation Officer to see just what the charge was.

That same evening, about one hour later, I had the opportunity to talk with Investigator Charles Slater of Brevard Sheriff Department. During this conversation, I was told first that no information pertaining to the case could be given until the trial, except that Mr. Smith had been arrested and was released on bail, (I believe it was \$2,000.00). Also that it wasn't any certain persons verses Mr.

TSBSA008768

DYKES_I_009880

Smith, but the State verses Mr. Smith. I also learned that it wasn't older Scouts that Mr. Smith was accused of molesting but Webelos from a pack at Grant, Florida.

After leaving the Sheriff's Office, I went straight to my residence and called the Assistant Scout Executive of the Central Florida Council, Mr. Roy L. Henderson. It was by now approximately 9:30 PM. After talking with Mr. Henderson, I found he had already been informed of the matter and that a meeting was to take place the next morning at 8:30 AM at the Malabar Community Center for all parents of boys from the Webelos Den. I attended this meeting and from statements of the parents from information given to them from their boys, to other parents who had not as yet been informed of the charges, it was quite a shock.

Statements had been given to the State of Florida by two boys and if needed other parents that had talked to their boys and found that they were involved, also would give statements. (I believe that there were at least five to seven boys known to be involved at this time).

Later that week, there was a meeting of the same parents (about fourteen persons) and the Investigating Officer attended. It appeared that the State of Florida had its case against Mr. Smith well on the way and again parents volunteered that if need be, the officer could get statements from their boy.

From instructions, I kept all received information in confidence. Then as instructed our District Chairman, Mr. Jack Shirek phoned Mr. Smith and asked him to resign his commission as Scoutmaster per Mr. Shirek. Mr. Smith agreed.

At the arraignment, Mr. Smith pleaded not guilty and the "Today" Newspaper carried an article to this effect.

On May 30th at South Brevard's Scout Show, Mr. Smith did attend,

TSBSA008769

DYKES_I_009881

parents of some of the boys involved saw him and reported this to council office and stated that if he continued to attend Scouting activities they would put an injunction on these activities. I asked the new Scoutmaster to have Mr. Smith leave the area, which he did. Later he returned and had a ticket. He informed me that he was on bond and that he could go anywhere in the world if he liked and if we asked him to leave we would, as he had been advised by his lawyer, be open to show suit.

Today, June 7th, we received a call from Melbourne to our summer camp from one of the parents of an involved boy that Mr. Smith is planning on taking part in a Troop 337 Scout event outside of the council. This parent has also called Boy Scouts of America National Registration Service and had been informed that Region Six would look in on the matter.

Re: William Smith

Dear Mr. Caldwell:

Quite some time ago I phoned you and talked about a Mr. William Smith who had been and still is registered as Scoutmaster of Troop 337 sponsored by the American Legion Post in Melbourne, Florida.

I indicated to you that we had had a phone call advising us that Smith was guilty of moral charges and you indicated that you were doing everything you could to prevent Smith from continuing to serve and that you had asked him to leave a Scout-O-Res. However, our informant indicated that Smith was still serving as Scoutmaster and had been at a Troop meeting the previous Monday evening and was taking a group of boys from the Troop on an Appalachian Trail experience this summer.

Upon our request you indicated that you would check into the matter and provide us with additional information. Since we have not heard from you, I am writing to inquire if you have been able to resolve the situation. Enclosed is a confidential record sheet which we would appreciate your filling out and returning to us as soon as possible, together with the details regarding this matter.

This additional information will enable us to identify this individual should he again attempt to become registered in the Scouting program. Thanks for your help.

Sincerely,

Howard Boyd, Director
